

Artist Submission Form

Thank you for your interest in the Artist Showcase to benefit Japan, an event organized by the JET Alumni Association of New York in partnership with the Consulate General of Japan. This event on **Thursday, December 1st** will not only showcase the talent of our community, but also honor a visiting delegation of Fukushima prefectural government representatives. The art on display will demonstrate our support by highlighting the beauty of Japan and Japanese culture, and depicting themes of rebuilding and reconstruction.

What to Submit:

- Please fill out the following form and include a digital image of your artwork for consideration.
- You may submit as many pieces as you like, but only a maximum of three will be selected per artist.

Notes and Considerations:

- You may choose to **auction** or only **display** your artwork.
- If accepted, your artwork must be **ready to install** – JETAANY will not supply frames, mounts or video projectors.
- As the artist, you must also be available or have someone available to help install the artwork on the day of the show.

Silent Auction:

All artwork for sale through silent auction will be initially priced at \$20. Guests will be able to raise bids in increments of \$10. Artwork on auction should not be valued above \$250. If the artwork sells, artist will be given 40% of the winning bid and 60% will go to JETAANY to be donated to the JETAA USA Fund for Japan.

Because of the venue – the Japanese Ambassador’s residence – there cannot be any monetary transactions on the premises. Once the winning bid has been determined, JETAANY will facilitate all monetary transactions after the event.
